

INSTRUCTIONS FOR USE

STEP 1

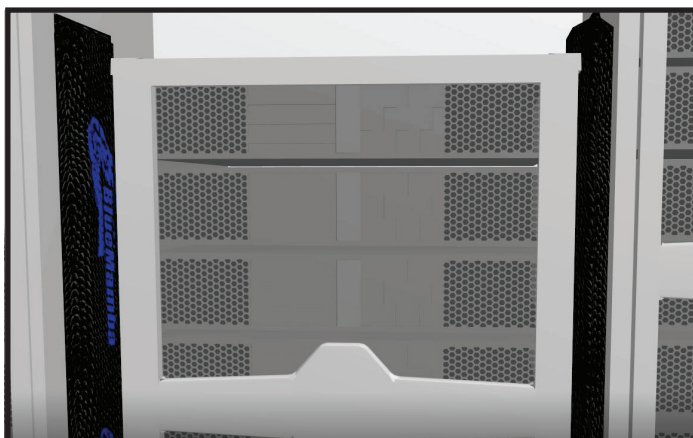

Insert BlueMamba™ into desired position (i.e. between/under cabinets)

STEP 2

Hold in place while carefully puncturing 2-3 holes in the outer shell with a sharp pointed object. (i.e. a pen) Adjust as needed within gap while BlueMamba™ inflates.

STEP 3

BlueMamba™ will inflate to seal gap (this may take up to 24hrs to fully expand, depending on conditions)
